7 **JURISDICTION AND VENUE**

8 4. This court has jurisdiction pursuant to 28 U.S.C. § 1332.

9 5. Venue is proper because a substantial part of the events that support this cause of action all  
10 occurred within the district.  
11

12 **FACTUAL BACKGROUND**

13 6. On or about January 21, 2020, Mr. Shakeri was in MGM National Harbor when Delonte  
14 West attacked him for the first time.

15 7. Mr. Shakeri tried to get away to calm the situation down, but he was followed by Mr. West.

16 8. Then when he tried to leave, Mr. West continued to attack and harass him.

17 9. Finally, Mr. West instigated a fight with Mr. Shakeri near the 6700 block of Oxon Hill  
18 road.  
19

20 10. Mr. West threw a glass at Mr. Shakeri's head.

21 11. It was only then that Mr. Shakeri in self-defense took action against Mr. West.

22 12. Bystanders who were witnessing the altercation took video and placed it on social media,  
23 where Mr. Shakeri can be clearly seen and has been recognized by numerous individuals.  
24

25 13. Once Mr. West was detained by police, video was taken by an officer where Mr. West  
26 stated that Mr. Shakeri "approached him with a gun".  
27  
28

1 14. Based on investigation of witnesses done at the scene by the Prince George's County Police  
2 Department, officers were fully aware that Mr. Shakeri did not approach Mr. West with a  
3 gun, and that it was, in fact, Mr. West who instigated the altercation.  
4

5 15. Despite knowing that Mr. West's defamatory statements were absolutely false, an officer  
6 of the Prince George's County Police Department released the video of Mr. West's  
7 statements to the media, where news outlets like TMZ publicized Mr. West's statements  
8 against Mr. Shakeri.  
9

10 16. As stated by Chief Hank Stawinski, "It [was] irresponsible for that [video], taken by a  
11 Prince George's County police officer, to be in the public's hands...".

12 17. In October 2020, Plaintiff notified the Prince George's Police Department and the Prince  
13 George's County Attorney of his claim.  
14

15 18. Plaintiff received no response from either agency and now files this claim against them for  
16 the tortious actions of their employee(s).  
17

18 **COUNT I**  
19 **DEFAMATION *per se***  
20

21 19. Plaintiff reasserts and reiterates allegations in par 1-19 as if set forth herein.  
22

23 20. Defendant, through their employee(s), received false statements from Delonte West about  
24 Mr. Shakeri threatening him with a gun, thus making a defamatory statement that Mr. West  
25 committed a dangerous felony.  
26

27 21. The law enforcement officer(s) who took the video of Mr. West making these statements  
28 also took statements from other witnesses of the event who made them fully aware that Mr.  
West's statements were in fact false – that Mr. West was the one who instigated the fight  
and that Mr. Shakeri did not threaten Mr. West with a gun (let alone even possess a gun).

1 22. Despite knowing the statements were false, the law enforcement officer(s) published the  
2 statements to media outlets, including TMZ, who published the video worldwide on their  
3 highly popular website.  
4

5 23. As a result of Defendant's actions, Plaintiff has suffered severe emotional distress and  
6 harm.

7 24. As a result of Defendant's actions, Plaintiff has suffered damages in an amount to be  
8 determined at trial, but no less than \$5,000,000.00.  
9

10 **COUNT II**  
11 **GROSS NEGLIGENCE**

12 25. Plaintiff reasserts and reiterates allegations in par 1-24 as if set forth herein.

13 26. Law enforcement officers, as officers of public duty and safety, have a duty to conduct  
14 investigations as neutral individuals, respecting the privacy of those who are victims of  
15 crimes.  
16

17 27. In this matter, the officer(s) breached this duty by providing public news outlets with false  
18 information about Plaintiff, knowing this information was in fact false.

19 28. As a result of Defendant's actions, Plaintiff has suffered damages in an amount to be  
20 determined at trial, but no less than \$5,000,000.00.  
21

22 **CONCLUSION**

23 WHEREFORE, the Plaintiff respectfully requests that this Court:

- 24 1. Award Plaintiff any and all financial, economic and compensatory damages entitled
